DEAR COLLEAGUES AND FRIENDS,

We are very happy and honored to invite you at the **16th edition of the Congress of the Black Sea Ophthalmological Society - Actualities in Ophthalmology.**

The event will take place between March 30-31, 2018 at Grand Hotel Napoca, Cluj-Napoca, Romania.

Invited speakers from Romania and from abroad will hold high interest lectures which we hope to be the start point to some successful debates. Their far-reaching experience will be shared with the participants and this way the purpose of the event will be achieved.

The event will take place also with the constant support of the medical companies which will be on our side, presenting their products in the field. Thus, you will be informed about the products from the oftalmology field.

For all the reasons from above and because of the tradition of the event, we invite you at the 16th edition of the Congress of the Black Sea Ophthalmological Society – Actualities in Ophthalmology.

Looking forward to seeing you,

Assoc. Prof. **Cristina Nicula**
Congress President

- Strictly follow the moderator's instructions.

RECOMMENDATIONS FOR MODERATORS

Dear colleagues,

The Scientific Committee thank you for your accept in moderating one or more sessions of the Congress. You have a very important role in assuring the success of this event. We hope that the following information will help you.

Before your session

- Identify the conference room where will take place the session you moderate and arrive there minutes before the start of the presentations
- Meet the technical assistant responsible of that room. If you have any problem, please ask for the help of the technical assistant.

During the session

- Remind the audience to put their phones on silent.
- Start the session on time even if the participation is low.

Do not accept violations of presentation time.

Announcement

- It is forbidden filming or photographing during the sessions, except the official ones.
- Announce the changes you receive from the organizers (if there are).
